Subject: Submission of a 2008 Annual Report for the Silvertip Property; Licence No. 2BE-SIL0709

Dear Mr. Clarke;

The Nunavut Water Board ("NWB") has completed a technical review of the 2008 Annual Report. The report was distributed for information on April 29, 2009. Comments have been received from Indian and Northern Affairs Canada (INAC) on March 8, 2009. The Annual Report was found to be complete and has been accepted.

Please address comments raised by INAC (attached) requesting more information on the reported spill. The INAC comments also identify that a Spill Contingency Plan addendum has not been received by the NWB to date.

Should you have any further questions, please feel free to contact the undersigned at (867) 360-6338, at your earliest convenience.

Yours truly,
