

## **Appendix A – Non-technical Project Summaries**

Vale Exploration Canada Inc. (Vale) is a mining exploration company based in Sudbury, Ontario. Vale is owned by Vale Canada Holdings Inc., which operates nickel mines throughout Canada. In 2011, Vale applied for and received a water licence from the Nunavut Water Board and land use permits from the Kivalliq Inuit Association for Inuit owned land and Aboriginal Affairs and Northern Development Canada for Crown land for exploration activities on the northeast side of Southampton Island, approximately 65 km northeast of the Hamlet of Coral Harbour.
