Subject: Review of 2009 Annual Report for the “Slave Project”, Golden Bull Resources, Licence No. 2BE-SLA0814

Dear Mr. Goad:

The Nunavut Water Board (NWB) received, on December 1, 2009, from Inukshuk Exploration Inc. on behalf of Golden Bull Resources, the 2009 Annual Report as is required under Part B, Item 2 of Licence No. 2BE-SLA0814. On December 3, 2009, the NWB distributed the report publicly for information purposes.

A technical review conducted on the report by the NWB staff determined it to be acceptable to the extent that no onsite or field activities were in progress at the time the report was being completed and submitted.

Should you have any questions, please contact the undersigned at (867) 360-6338 ext. 25 or by email to s.joseph@nunavutwaterboard.org at your earliest convenience.

Yours truly,
