Sean,

In our telephone conversation on August 29, 2013, you waived the requirement for further filings with regards to this permit and advised that the only remaining matter was the final inspection from Eva and/or Baba.

With this now in hand, I will await your letter of closure.

Deborah

P.S. I would also like to thank everyone for their continued efforts. Thank you!

Subject: 2BE-TIM0813 Inspection of July 20 2014

Hello Deborah and Sean,

Please find attached the inspection report of July 20 2014 regarding the TIM project.

Sean, as Technical Advisor on this file, please confirm what administrative requirements are still expected of the company.

Regards,

Eva Paul
