**RE: Licence No. 2BE-TIM0813: Submission of the 2009, 2010, and 2011 Annual Reports by Diamondex Resources Ltd. for the Tim Project**

---

Dear Ms. Chadwick:

The Nunavut Water Board (NWB or Board) has reviewed the 2009, 2010 and 2011 Annual Reports received from Diamondex Resource Ltd., on December 31, 2012 in support of the Tim Project, which is located 90 km northwest of Kugaaruk within the Kitikmeot Region of Nunavut. The review determined that the reports are generally acceptable and consistent with the reporting requirements under Part B, Item 2 of Licence 2BE-TIM0813. Further, the review noted that no field activities were carried out under the project for the aforementioned reporting periods.

Separated from the above, the Licensee is advised of its obligations to submit copies of the following documents, **before September 23, 2013**, for acceptance or approval by the Board:

- 2012 Annual Report, required under Part B, Item 2, of the Licence' terms and conditions;
- Addendum to the Spill Contingency Plan dated 2008, required under Part H, Item 2 of the Licence' terms and conditions; and
- Abandonment and Restoration Plan, required under Part I, Item 1, of the Licence' terms and conditions.

Should you have any questions regarding the above, please do contact the undersigned at (604)-321 8185 or by email to [sjoseph@nunavutwaterboard.org](mailto:sjoseph@nunavutwaterboard.org).

Yours truly,
