Dear Ms. Beaulieu:

RE: NWB2TRE0406 WATER LICENCE – TREE RIVER PROPERTY, KITIKMEOT, NUNAVUT

Please accept this letter as the final plan closeout report for water licence NWB2TRE0406 for Strongbow's Tree River property, Nunavut.

The term of NWB2TRE0406 extended from 5 June 2006 to 30 September 2008 and Strongbow wishes to confirm that during that time period no work was performed on the Tree River property and no structures or fuel were located on the property. Exploration work was last conducted on the property in 2005 when a very minimal (4 man day) reconnaissance prospecting program, consisting of foot traverses, rock and soil sampling, was conducted. At that time all personnel were accommodated off the property at Strongbow's nearby Rush Lake camp and accessed the property via helicopter.

Should you have any questions or concerns relating to this submission do not hesitate to contact the undersigned.

Thank you.

Regards,
STRONGBOW EXPLORATION INC.
