Re: Request for Renewal of Agnico Eagle Mines Type B Water Licence 2BW-MEL1215

Dear Ms. Beaulieu,

Agnico Eagle Mines Limited's (Agnico Eagle) current Type B Water Licence 2BW-MEL1215 related to the Meliadine all-weather road was issued by the Nunavut Water Board (NWB) to Agnico Eagle on March 13, 2008 and is set to expire on May 31, 2015. Agnico Eagle is requesting a renewal for this licence. No change to the licence conditions are requested, just an administrative renewal is wanted.

By copy of this letter to the NPC and NIRB, Agnico Eagle is requesting confirmation that this renewal application does not require further conformity determination from the NPC and is exempt from additional screening requirements by the NIRB.

I trust the above and attached documents are sufficient to meet your requirements. Should you have any concerns or questions, please do not hesitate to contact me at 819-874-5980 or david.frenette@agnicoeagle.com
