Subject: Licence No. 3BC-ASM1010 “Arctic Shorebird Monitoring Program – 2010 Project”, Kitikmeot Region, Nunavut; Cancellation of the Licence

Dear Ms. Rausch:

The Nunavut Water Board (“NWB”) has completed a technical review of your cancellation water licence application for the above-mentioned project, which was received on September 19, 2012. The application was distributed for third party comments on September 27, 2012. Comments were received from Aboriginal Affairs and Northern Development Canada (AANDC) and from the Kitikmeot Inuit Association (KIA) on October 23, 2012, respectively.

KIA expressed no objections to the cancellation of the licence. AANDC Water Resources Division and Field Operations find the cancellation application complete with no issues. Based on the review of the file and submissions, it was determined that the Cancellation is consistent and acceptable with the requirements of the terms and conditions under Licence No, 3BC-ASM1010. The NWB therefore, has approved the Cancellation under motion number 2012-B1-009.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 Ext. 31 or eskiby@nunavutwaterboard.org, at your earliest convenience.

Sincerely,

Thomas Kabloona
Nunavut Water Board
Chair
