Dear Ms. Beaulieu:

RE: Arctic Operations Advisor Course 2011

This letter serves to formally notify you that the Department of National Defence (DND) will be conducting the annual Arctic Operations Advisor (AOA) Course (previously entitled Winter Warfare Advanced Course) in the area of Resolute Bay, Nunavut in March 2011.

The enclosed CD contains the necessary background information about the description and location (maps) for the 2011 AOA course. A copy of the current Nunavut Water Board (NWB) License 3BC-AWW0814 as amended in February 22, 2010 is also enclosed. Please note that DND will not be requesting an amendment to the current NWB license at this time since the AOA 2011 activities remains the same as those embarked upon in the 2010 iteration of the AOA course.

Please note that DND will continue to provide annual reports to the Nunavut Water Board as stipulated in the current water licence which expires in 2014. Should you require additional information, please contact Ovie Ekewenu, the Land Force Doctrine and Training System Environmental Advisor at:

Tel: (613) 541-5010, extension 5161
Fax: (613) 541-4478
Email: Ovie.Ekewenu@forces.gc.ca

Yours truly,

P.J. Devlin
Lieutenant-General
