Good morning Brad, all that is required is a brief summary indicating your request to cancel the licence and the reason for cancellation. Very brief and to the point is all that is required.. Regards,

I was taking care of this application for cancellation on behalf of Martin Sharp. I've been away on extended fieldwork, so I'm sorry for the late response.

I was unaware that the request for cancellation needed to be translated. I can certainly have this done, but just wanted to seek clarification: do you want the whole Application for License Cancellation form translated, or perhaps just parts 7 & 8 of the form - or are you looking for a separate letter requesting cancellation?

Also, I wrote a personal cheque for the license cancellation fee of \$30. Would you kindly provide a receipt for that payment?

Thank-you, Brad
