To: John Smol <smolj@queensu.ca>

On April 10, 2015 the Nunavut Water Board received an application to cancel the above water licence. In order to comply with our legislated requirements, it is necessary for you to provide a very brief cover letter in English and Inuktitut of your request to cancel the licence.

Once received the application will be sent out for our normal 30 day comment period.

Please be advised at this time that there are no outstanding obligations under the terms and conditions of 3BC-LPL1111. A final AANDC inspection will be necessary to finalize closure of the file.
