Dear Mr. Jefferson:

The Nunavut Water Board ("NWB") acknowledges receipt on April 14, 2010 of your new water license application for the Northeast Thelon Compilation, file number 3BC-NTC-----.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- NIRB Screening Decision (or confirmation in writing that a NIRB screening is not required)
- NPC Conformity (or confirmation in writing that an NPC Conformity is not required)
- A comprehensive stand alone spill contingency plan (example attached)
- Abandonment & Restoration Plan (example attached)

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
