RE: NWB Licence No. 3BM-WCL0712, Landfarm Facility, Hamlet of Whale Cove, Kivalliq Region, Nunavut

Dear Mr. Croucher,

The Nunavut Water Board (NWB) received an application by the Hamlet of Whale Cove on September 5, 2007 with supporting information submitted February 2, 2009 for the renewal of the Municipal Licence No.3BM-WHA0207.

At the request of the Hamlet (applicant) and following the Board decision on the renewal, the Municipal Licence No. 3BM-WCL0712 was incorporated into the renewal with all terms and conditions transferred to the Hamlet's municipal Licence. The renewal licence was subsequently issued on June 18, 2008. As an administrative requirement, the Landfarm specific licence has been cancelled through the Board Motion **2009-09-L03**, dated **August 07, 2009** and the file has now been closed. All reporting requirements for the previous Landfarm licence now fall under the renewed Licence for the Hamlet, Licence No. 3BM-WHA0914.

Should you have any questions regarding the above, please do not hesitate to contact the undersigned at your convenience.

Yours truly,
