In the letter, it is mentionned that the Board requests that INAC advise the Board when a final inspection is complete. Was this request sent to INAC directly as well? Or are you expecting Agnico Eagle to liaise with INAC to obtain it and forward this document to the NWB?

Many thanks,

Manon

Hi Manon,

The letter you mentioned is pretty standard letter that NWB send generally for cancellation applications. I am aware of inspector letter included within the application, however, the Board should give a notice for every application as per s.55 of Nunavut Waters and Nunavut Surface Rights Tribunal Act. As the application was sent to all stakeholders for Kivalliq Region, you don't need to liaise with INAC.

Regards,
