Thanks for the email Erik,

I'll be traveling to Iqaluit on Monday and in board meetings during the week so it may be difficult to set something up. I'm forwarding the email to Sean and possibly he can followup with you at the earliest possible time.

btw, please note the new email addresses to be used and update your contacts accordingly. All nunavutwaterboard emails are being forwarded at this time, however i'm not sure as to how much longer they will continue (started back in the fall '13).

Regards,
Dave

Hello David:

Hope things are well?

I recognize that we requested to cancel this “bridging construction licence”, but I believe this has not be done yet?

Don't see anything officially on website and don't recall getting a letter.

Can I request that you do NOT cancel for now and hold off and next week I will call you to discuss a few things.

Thanks
