Re: Type 'B' Water Licence 8BC-MRY1416 Part J Item 1 and 2

Dear Mr Curran:

Aboriginal Affairs and Northern Development Canada's (AANDC) Water Inspections recognizes that Baffinland Iron Mines Corporation (BIMC) has submitted a letter requesting an extension until March 31, 2015 of the Monitoring Plan required under Part J, Item 1 and 2 of the Type 'B' Licence, which states that a Monitoring Plan is to be submitted to the Nunavut Water Board (NWB) by October 6<sup>th</sup>, 2014.

Furthermore, this letter requests that the Monitoring Plan required under Part J, Item 1 and 2 of the Type 'B' Licence on March 31, 2015 would be submitted concurrently with the Surface Water and Aquatic Ecosystems Management Plan required on or before March 31, 2015, as required under the Type A Water Licence (2AM-MRY1325).

Sincerely,

Justin Hack  
Water Resource Officer  
Aboriginal Affairs and Northern Development Canada
