To: ida.porter@nwb-oen.ca

Hi Ida,

Yes, I will be making application to the NWB.

The water use will be well below licence thresholds as in any given location they will essentially be melting snow for drinking water to support up to 10 participants for 4 days on the land during survival training.

More to follow

Have a good weekend

Pete

Good morning Pete,

Please confirm if you are applying for water licence with the Nunavut Water Board.

Regards,
