Hi Robin,

Thanks for calling yesterday. Would you please charge my credit card for the \$60 in user fees? I will consult with Luke Copland about the summary of decommissioning and photos. I think he has this information and could submit something reasonably soon. There was also a site inspection this year and it might be wise to wait until we get that report before proceeding. Do you know how long these take to come out?

We have also already submitted a cancellation application for 3BC-NEI1215. The only thing outstanding is the decommissioning report.

Please can you send a receipt for the user fees when you have taken payment?

Thank you,
Derek
