Dear Ms. Filiatrault

Re: **Application for Nunavut Water Board License to Accompany KIA Land Use Permit I96C103**

As per our conversation last Friday, please find enclosed the above referenced application and a cheque for \$30 to cover the applicable fees.

As I mentioned in our conversation, our plans were to start up operations in early August. I realise that you are subject to some time constraints but anything you can do to expedite this matter would be much appreciated.

If you have any questions or require any additional information, please do not hesitate to contact me at 604-983-7750.

Best Regards,
