Re: Transfer of Hood River (BIGFOOT) Camp to Tahera

Dear Grant:

This is a letter to formally hand over the, " Hood River Camp" to Tahera as per our verbal discussions.

The Hood river camp (Dean Pekeski will send full list on items) would represent a replacement value of over \$80,000. By signing below Tahera, for the cost of \$1.00, takes ownership and responsibility for the camp. Please return one signed original to Kennecott Canada Exploration Inc.

Thank you.

Best Regards,

Buddy Doyle
