**Re: Timing of Technical Comment Responses and Supplemental Information**

Dear Amanda,

In response to the Nunavut Impact Review Board (NIRB) letter dated October 14, 2014, Sabina Gold and Silver Corp. (Sabina) is pleased to provide the timelines for response to Technical Comments (TC's) received on the Back River Project.

As requested, Sabina will respond to all TC's which were received by the NIRB on October 10, 2014 by **12:00 pm MT, October 24, 2014**. These responses will include:

- Government of Nunavut (GN)
- Government of Canada including:
  - Aboriginal Affairs and Northern Development Canada (AANDC)
  - Environment Canada (EC)
  - Fisheries and Oceans Canada (DFO)
  - Natural Resources Canada (NRCan)
- Government of the Northwest Territories (GNWT)

Subsequent to the October 10, 2014 deadline two additional TC packages were received by the NIRB. These were provided by:

- Kitikmeot Inuit Association (KIA)
- Government of Canada - Transport Canada (TC)

Due to the delay in receiving this information the responses for both KIA, and TC comments will be provided by **12:00 pm MT, October 30, 2014**.

Sabina will also provide the following requested information by **12:00 pm MT, October 30, 2014**.

- A Draft List of Commitments including those made in the Information Request Responses, Clarification Responses, and Technical Comment Responses.
- A Draft List of Sabina Attendees for the Technical Meeting and Pre-Hearing Conference.

If any further clarifications are needed, please don't hesitate to contact me.

Yours truly,
