Hi Richard,

This is to confirm that one person from ECCC will attend the public hearing and community session in Cambridge Bay (May 1-3) and it will be Anne Wilson. On another note, I was wondering if teleconferencing would be available, as I would like to phone in if possible. It worked well last time (except for the translations, but with someone from ECCC in attendance translations should not be a problem).

Further, I would like to inform the Board that our English Presentation will be ready by April 20th, but unfortunately there will be a delay in regards to our translated copies. There was a slight scheduling mistake, and we apologize for the delay. We will get these translated materials to the Board as soon as possible.

Also, do we need to bring some printed copies of our presentation to the meeting? If so how many copies would be sufficient?

Regards,

Gabriel
