Good afternoon,

In preparation for the TM and PHC, the Board has attached a copy of a draft agenda and requests that interested persons provide relevant comments to the NWB's Licensing Department at licensing@nwb-oen.ca by 3:00 p.m. MST, Wednesday, March 17, 2021. In addition to comments on the Agenda, interested parties are asked to also provide the following information along with their submissions:

- · Confirm the attendance of their organization, group or individual;
- Provide the names of the individuals who will be participating on their behalf in the TM and PHC respectively; and
- Identify whether they wish to make a formal presentation of their submissions during the TM/PHC.

Following receipt of this information, the NWB will distribute a final version of the Agenda in advance of the TM/PHC, including call-in information for the teleconference, as well as the names of the participating organizations and/or persons who have confirmed their attendance.

Also attached is Sabina's Responses to Technical Comments on the Hydrodynamic Model.

Regards,

Richard
