Good morning Mr. Dwyer

CIRNAC thanks the Board for a copy of the Public Hearing Agenda, including the Community Session to discuss the application for the amendment to Water Licence No: 2AM-BRP1831, submitted by Sabina Gold & Silver Corp. (Sabina) for the Back River Project.

In response to your request to confirm CIRNAC's participation in the Public Hearing, I can confirm the following will be attending the Public Hearing virtually from Iqaluit and southern Canada.

- Spencer Dewar, Director Resource Management
- Sarah Forte, Manager of Waters
- Andrew Keim, Coordinator
- Rick Hoos, Principal – Tetra Tech Canada Inc.

Additionally, please find attached three attachments that include copies of CIRNAC's Final written submission in English with Inuktitut and Inuinnaqtun and French executive summaries as well as CIRNAC's presentation with both with Inuinnaqtun and Inuktitut translations for the hearing.

As CIRNAC will not be attending in person, CIRNAC requests that the board make copies of the presentations available to those attending in person.

I trust this satisfies your requirements and we look forward to our participation in the Public Hearing.

Respectfully,

Andrew Keim
