Good Morning Richard,

I have a question regarding one of the requirements outlined in the PH Agenda, as ECCC is participating remotely, does the following apply:

To ensure that members of the public, in attendance at the Public Hearing, have easy access to the presentations submitted by the respective parties, the NWB requests that parties make available at least 30 paper copies of their English presentations and at least 25 paper copies of their English, French and Inuinnaqtun executive summaries.

Thank you,

Orlagh O'Sullivan
