Dear Mr. Kharatyan:

Re: Crown-Indigenous Relations and Northern Affairs Canada's review of Sabina Gold and Silver Corporation's (Sabina) Design report of the Fuel Tank Farm and Containment Facilities at the Marine Laydown Area

Dear Mr. Dwyer,

Thank you for your email on May 14, 2019, concerning the above mentioned Design Report.

After reviewing the design report and contacting the licensee to clarify and confirm a minor detail, Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) is satisfied that the design report for the fuel tank farm and the containment facilities contain all relevant information and therefore have no concerns with the report.

CIRNAC's review and comment is provided pursuant to the Department's mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Indian Affairs and Northern Development Act*.

Please do not hesitate to contact me by telephone at 867 222-9278 or email at ian.parsons@canada.ca for further comments or any questions.

Sincerely,

Ian Parsons, B.Sc.
Regional Coordinator Water Resources
