Hello all,

Sabina is notifying that the Back River Project was closed for the remainder of 2020 on December 14th. It was certainly a unique and challenging year to say the least! Sabina is very pleased with the safe and successful result we achieved.

We look forward to continuing at the Back River Project in 2021 and as always, will provide notice in advance of our operations recommencing.

Wishing everyone a happy holidays!

Thanks,
Sabina Team

Subject: Sabina Back River Project 2020 Site Update

Hello,

Please find attached a 2020 site update report on Sabina's Back River Project. This update is meant to provide transparency on ongoing exploration and initial construction activities at the Back River Project, plans in 2020, as well as site-specific conditions at the Goose Property, George Property, and the Marine Laydown Area. In addition, we have provided information on environmental monitoring programs and baseline data collection as well as COVID-19 protocols established.

Regards,
