RE: NWB Technical Review of 2018 Winter Ice Road Technical Memorandum for the Back River Project; Water Licence No. 2AM-BRP1831

Dear Mr. Pickard:

The Nunavut Water Board (NWB) has completed a technical review of the 2018 Winter Ice Road Technical Memorandum (the Memorandum) received on December 3, 2018. On December 4, 2018, the NWB acknowledged receipt of the Memorandum and provided it to the Back River distribution list for information. No comments have been received to date.

The technical review of the Memorandum found that the information addresses the requirements of the Licence. The NWB acknowledges the efforts by Sabina to adjust to changing circumstances, and views the activities described within the Memorandum as compliant with the Water Licence

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

Dave Baines
Nunavut Water Board,
Technical Advisor
