Hello Karén, Richard and Ida,

INAC will be submitting our technical comments on TMAC Resources Inc.'s 2AM-DOH amendment application and 2AM-BOS application by March 28, 2018. We realize the deadline is March 23, 2018, but because of conflicting priorities including duty travel, we will not be able to meet this week's deadline and will have the document prepared by next week.

Regards,

Sarah
