By copy of this correspondence, the Board would like to provide parties with the details of next steps of licensing process. The Board advises parties that **Monday May 14, 2018 and Tuesday, May 15, 2018** are now set as dates for the Technical Meeting (TM) associated with the above stated applications, subsequent to the NIRB Final Hearing for the Project, in Cambridge Bay.

Parties are also advised that the Board will issue another correspondence, including the proposed Agenda for the TM and Community Session on **April 27, 2018**.

During the Technical Meeting, the Applicant and intervening parties will be required to provide PowerPoint (or PDF) presentations pertaining to TMAC's Applications and the technical review submissions to the Board, including presentations for the Community Session scheduled in the evening of May 14, 2018. It should be noted that intervening parties are expected to indicate during their presentations whether or not the issues that they have identified have been or will be addressed by TMAC to their satisfaction prior to the Hearing. Intervening parties are requested to provide an executive summary of their interventions complete with Inuktitut and Inuinnaqtun translations to be made available in hard copy (35 copies) at the TM. The Applicant and intervening parties shall provide all electronic presentation materials to the NWB by **May 3, 2018**. Within their submissions to NWB parties should also provide their comments regarding the proposed Agenda and confirmation of their attendance in TM. The final Agenda will be provided by the Board on **May 8, 2018**.

If you have any questions regarding procedural matters related to the Applications, please contact Ida Porter, Licensing Administrator, by phone at (867) 360-6338 or by e-mail to licensing@nwb-oen.ca. For inquiries related to technical matters, please contact Derek Donald, Technical Advisor, by email to derek.donald@nwb-oen.ca.

Sincerely,

Richard Dwyer,
Manager of Licensing, NWB
