**Subject:** Extension to Review of 2018 Hope Bay Project Annual Report

Hello Keith, I request an extension on the deadline for commentary on the 2018 Hope Bay Annual Report from June 24 to July 8, 2019. I am will be away from June 17 to July 2 on duty travel and medical leave.

KIA's consultants have already begun the review of TMAC's annual report based on the earlier NWB's request but I will require the extra time to review their work and to prepare KIA's response.

Thank you

John
