Number of pages to follow this: 2

This fax sent by: \_\_\_\_\_ If you have not received all pages  
 please call (867) 982-3310.

Comments: The KIA requests that NIRB  
screen the attached project proposal submitted  
by Hope Bay Mining Ltd. to the KIA.  
Please advise if you require further  
information.

Thanks, Kevin Tweedle

12. On a separate page, provide a NON-TECHNICAL project summary. This should include a non-technical description of the project proposal, no more than 300 words, in English and Inuktituk (Inuinakut, in the West Kivikment). The project description should outline the project activities and their necessity, method of transportation, any structures that will be erected, expected duration of activity and alternatives considered. If the proposed activity fits into any long-term developments, please describe the projected outcome of the development for the area and its timeline.

13. Attach a detailed project description as outlined in APPENDIX A.

14. LAND USE APPLICATION FEES.

- |                                                                                                                                                                                                                                                                                        |                                                                                                                                                                         |
