RE: NIRB 05MN047: TMAC Resources Inc.'s Proposed Modifications to the Doris North Gold Mine Project and Reconsideration of the NIRB Project Certificate No 003 Terms and Conditions

Dear Ms Hanson,

Thank you for your letter dated December 19th, 2013, requesting comments from federal departments on the reconsideration of the proposed modifications to TMAC Resources Inc.'s Doris North Gold Mine Project, and reconsideration of the NIRB Project Certificate [003], pursuant to Section 12.8.2 of the Nunavut Land Claims Agreement. I am responding on behalf of the federal departments including Aboriginal Affairs and Northern Development Canada, Environment Canada, Fisheries and Oceans Canada, Natural Resources Canada and Transport Canada.

The federal departments have conducted a review of the Doris North Project Amendment Application, and understand that the comments provided will serve as an analysis on the completeness and quality of the information in the document. As requested, I am pleased to provide the NIRB with the final submission from the federal departments. (Attachments 1 - 5)

A contact list from federal departments for the Doris North Gold Mine Project is also attached. (Attachment 6)

We look forward to participating in future stages of the review of this proposed project.

Sincerely,

Matthew Spence
Director General
Northern Projects Management Office
