Re: NIRB's Amended Project Certificate No. 003 for TMAC Resources Inc.'s Doris North Gold Mine

Dear John Roberts:

Pursuant to Sections 12.5.12 and 12.8.3 of Article 12 of the Nunavut Land Claims Agreement (NLCA), the Nunavut Impact Review Board (NIRB or Board) is pleased to issue the enclosed amended Project Certificate No. 003 for the Doris North Gold Mine Project (NIRB File No. 05MN047) to TMAC Resources Inc. (TMAC). The terms and conditions of the enclosed Project Certificate have been formally reconsidered by the NIRB pursuant to Section 12.8.2 of the Nunavut Land Claims Agreement (NLCA) to address the potential ecosystemic and socio-economic effects of the "2015 Amendment Application" project proposal, and have been approved by the Minister of Indigenous and Northern Affairs' August 29, 2016 acceptance of the NIRB's public hearing report for this file.

The NIRB would also like to thank all parties who participated during the recent project certificate workshop held to discuss planned implementation of the amended Project Certificate No. 003 terms and conditions, identifying where additional commentary might be appropriate prior to finalization by the Board.

The NIRB will continue to monitor the Doris North Gold Mine Project in accordance with Part 7, Article 12 of the NLCA as well as the enclosed Project Certificate terms and conditions and Appendix D of the Project Certificate.

The NIRB looks forward to working with TMAC and all parties to ensure that the enclosed Project Certificate is fully implemented and achieves the identified objectives. If you have any questions or require clarification regarding the amended Project Certificate, please contact the NIRB's Executive Director, Ryan Barry directly at (867) 983-4608 or via email at rbarry@nirb.ca.

Sincerely,

Elizabeth Copland
