Re: NIRB Proposal for Participation in Miramar Meetings in Kugluktuk, Cambridge Bay, Gjoa Haven and Taloyoak – Confirmation on Agreement with NIRB's Three Rules

## Dear Robyn and Mike:

Thank you both for your email responses confirming your agreement with the Nunavut Impact Review Board's (NIRB) three rules regarding participation in Miramar's community meetings in November.

Based on the comments received regarding the proposal for NIRB to participate in these public meetings, NIRB is confirming that Carolanne Inglis, Hearing Coordinator, will attend Miramar's November community meetings. Once the dates are confirmed, NIRB will notify the distribution list. Any notes taken from these meetings will be posted to NIRB's ftp site.

Yours truly,

Stephanie Briscoe Executive Director
