Dear Mr. Lines:

Re: Doris North Project

As per your letter dated November 29, 2005, Miramar Hope Bay Limited would like to address the final three outstanding items on the conformity table by providing the results of the latest community consultations related to the Doris North Project. These consultations were held in Cambridge Bay, Gjoa Haven, Taloyoak, and Kugluktuk in early December, 2005. We specifically dealt with tailings alternatives as directed by the Board.

Attached are:

1. A copy of presentation given in the communities;
2. Notes from the consultation. The notes are in a question and answer format and are not verbatim but we believe properly represent the essence of the discussions; and
3. A copy of the sign in sheets from each community.

Yours truly,

Miramar Hope Bay Ltd.
