**Re: Introduction of Monitoring Officer and Wildlife Mitigation and Monitoring Plan**

---

Dear Ms. Maloof:

Please be advised that I have been assigned as the Monitoring Officer for the Doris North Project. As you are aware, Condition #4 of your Project Certificate specifies that NIRB appoint a Monitoring Officer for the project in accordance with Part 7 of the Nunavut Land Claims Agreement.

Also, at this time I would also like to acknowledge receipt (January 5, 2007) of Miramar Hope Bay Limited's revised wildlife mitigation and monitoring program which is a requirement of Condition # 27 of the Project Certificate. This document is entitled *Doris North Project – Wildlife Mitigation and Monitoring Program*, and is available on NIRB's ftp site at: [http://ftp.nunavut.ca/nirb/NIRB\\_MONITORING/05MN047-DORIS\\_NORTH/WILDLIFE-MITIGATION-MONITORING-PLAN/](http://ftp.nunavut.ca/nirb/NIRB_MONITORING/05MN047-DORIS_NORTH/WILDLIFE-MITIGATION-MONITORING-PLAN/)

The NIRB is requesting that interested parties review this document and provide comments with respect to their areas of expertise by Friday, February 16, 2007. All comments should be sent to NIRB's Manager of Administration Leslie Payette, at [lpayette@nirb.nunavut.ca](mailto:lpayette@nirb.nunavut.ca). Should you require additional time for review, please contact me immediately.

Sincerely,

*[original signed by]*

Carolanne Inglis-McQuay  
Technical Advisor
