RE: Information Requests

Dear Ms. Gordanier,

The Nunavut Impact Review Board (NIRB or Board) received seven information requests (IRs) from the Department of Fisheries and Oceans Canada (DFO) concerning the Final Environmental Impact Statement for the Doris North Gold Project on November 25, 2005. NIRB has reviewed and approved four of seven requests. Here below is NIRB's justification:

DFO-IR-1: Approved

DFO-IR-2: Approved

DFO-IR-3: Recommendations and requests for additional monitoring or commitments to monitor shall be made to the Board at the Final Hearing.

DFO-IR-4: Approved

DFO-IR-5: Recommendations and requests for additional monitoring or commitments to monitor shall be made to the Board at the Final Hearing.

DFO-IR-6: Recommendations and requests for additional monitoring or commitments to monitor shall be made to the Board at the Final Hearing.

DFO-IR-7: Approved

Approved IRs have been forwarded to Miramar Hope Bay Limited (MHBL) and your original letter has been posted on NIRB's ftp-site.

MHBL has been asked to respond to both NIRB and DFO by December 9, 2005. The information submitted by MHBL will be posted on NIRB's ftp-site upon receipt.

Should you have any questions please do not hesitate to contact me.

Yours truly,

(Original signed by)

Stephen Lines, P.Biol., DEIA Technical Advisor
