March 25, 2004

Dear Mr. Stephens:

The NIRB notes the comments raised by the various federal parties in the letter of March 24, 2004. The comments reaffirm the Board's need and value of the technical meetings, as they will provide an opportunity for further discussion on the conformity review and technical issues.

We have considered your comments on the final agenda attached.

We look forward to the participation of all parties.

Sincerely,

Zairab Moghal

Ms. Zainab Moghal Technical Advisor
