RE: Information Request

Dear Parties,

Miramar Hope Bay Limited (MHBL) has responded to an Information Request (IR) received by the Nunavut Impact Review Board (NIRB or Board) on July 28, 2005 from Mr. Ramli Halim P.Eng., P.E., of Acres International. Acres International is an independent consultant to NIRB.

The IR and MHBL's response has been posted on NIRB's ftp-site at the following link:
ftp://ftp.nunavut.ca/nirb/Reviews/05MN047%20-%20DORIS_NORTH/2-REVIEW/06a-DEIS%20TECHNICAL%20REVIEW/Information%20Requests/

The Technical Meeting date is fast approaching on August 23rd to 25th, 2005. Consequently, NIRB requires that any remaining IRs be submitted by **Tuesday August 9th, 2005**. Although NIRB will consider IRs up until then, the Board will make a determination regarding which are appropriate to address prior to the Technical Meeting. Please be assured however that all issues will be dealt with at the Technical Meeting.

Yours truly,
