KIA formally requests a ten day extension for comments on TMAC's responses to IRs for the amendment of project certificate 003 and Type A water license.

Thank you

John

Hi John

Your request seems reasonable, please make a formal request to Licensing / Robin the admin responsible for the file

Cheers

Sonia

Hello Sonia, I request a ten day extension for comments on TMAC's response. We are meeting with TMAC in Edmonton to discuss the amendment to project certificate 003 and the Type A water license. I will have our consultants review their response to the IRs submitted and we will discuss them first with TMAC in Edmonton. I want to submit our response to the NWB after this meeting.

John
