Hello licensing,

Please find attached Indigenous and Northern Affairs Canada's presentations and executive summary for the upcoming technical meeting for TMAC Resources Inc.'s water licence applications 2AM-BOS---- and 2AM-DOH1323 for the Hope Bay Phase 2 Project. We unfortunately do not have the Inuktitut or Inuinnaqtun translations at this time and are endeavouring to get them for the meeting.

We would like to confirm our attendance at the technical meeting. Our group in Cambridge Bay will be:

- Ian Parsons, INAC - Manager of water resources;
- Sarah Forté, INAC - Water management specialist; and
- Tony Brown, Arcadis - Consultant working on this file.

We do not have any comments on the proposed agenda.

Do not hesitate to get in touch with me if you have any questions.

Regards,

Sarah
