Good morning,

Please find DFO's presentation for the Hope Bay Water License Amendment Technical Meeting attached. Please note two versions of the presentation are provided, one in English and Inuinnaqtun, and one in English and French.

We are still waiting to receive the executive summary translated to Inuinnaqtun, however, I have attached the English and French summaries. Once we receive the Inuinnaqtun version we will forward it ASAP. I apologize for the delay.

DFO will have the following staff attending the technical meeting **virtually**:

- Holly Simpson
- Dana Harris

Should virtual attendance allow, DFO would like the opportunity to present at the technical meeting.

If you have any questions, feel free to email me or Dana Harris (cc'd).

Thank you,

Holly Simpson, B.Sc. (she/her)
