Subject: Final Agenda for the Technical Meeting and Pre-Hearing Conference for the Amendment Application for the Type A Water Licence No: 2AM-DOH1335; Doris-Madrid (Hope Bay) Project by Agnico Eagle Mines Limited

Dear Ms. Prather and Ms. Range:

Please find attached the Final Agenda for the upcoming Technical Meeting (TM) for the application for an amendment to Water Licence No: 2AM-DOH1335 (the Application) submitted by Agnico Eagle Mines Limited (Agnico Eagle or the Applicant) for the Doris-Madrid (Hope Bay) Project.

As indicated in the Agenda below, the Technical Meeting is scheduled to start at **9:00 AM MT on July 16-17, 2026** at the Luke Novoligak Community Hall in Cambridge Bay. There will be a Community Session on the evening of **July 16, from 7.00 pm.** Please note while that the Agenda includes a videoconference link, as well as the call-in information to accommodate those participants who will be joining by phone, the Board is not able to guarantee a good videoconference/teleconference quality due to intermittent internet speeds.

Copies of the comments and information requests received from the intervening parties, along with the submissions from the Applicant and all documents associated with the Application, have been placed in the NWB's online Public Registry website and can be accessed through the following link:

Technical review submissions

The NWB requests that all parties have on hand the copies of the application and correspondence/submissions (either hard copy or electronic) for reference as required, as the NWB will likely only have a few hard copies available for viewing and for the public. All parties should also bring up to thirty (30) hard copies of their presentation materials for the public.

The NWB takes this opportunity to thank all who have participated in the amendment process for the Application thus far and encourages their continued participation in the remaining stages of the process.

If any parties/persons have technical questions or require clarification with respect to the above information, please contact Mohammad Ali Shaikh, Technical Advisor, by email at ali.shaikh@nwb-oen.ca. For procedural and administrative inquiries, please contact Robert Hunter, Licensing Administrator, by e-mail at robert.hunter@nwb-oen.ca or licensing@nwb-oen.ca.

Sincerely,

Robert Hunter,
Licensing Administrator
