1. Scope and terms of licences

- Two type A licences:
 - Doris-Madrid
 - Boston
- CIRNAC recommends type B bulk sample licences be integrated into type A licences
- We support a licence term that matches project schedule

Open-Indigenous Regulatory and Reporting Agency Canada - Règlement des Autochtones et des Rapports de l'Agence

2. Water supply and management

- Doris-Madrid:
 - Windy Lake as potable water source
 - Doris Lake as industrial water source
 - Water managed in Tailings Impoundment Area (TIA)
- Boston:
 - Almaokatalok Lake as water source
 - Water managed in surge pond

Open-Indigenous Regulatory and Reporting Agency Canada - Règlement des Autochtones et des Rapports de l'Agence

3. Waste management

- Non-hazardous waste incinerated or in on-site landfills
- Hazardous waste shipped off-site
- Tailings
 - Doris-Madrid: sub-aerial deposition in TIA
 - Boston: filtered and stacked in TMA
