**Re: 2015 Geotechnical Site Inspection Report, Doris North Gold Mine**

To Whom it May Concern,

Please find attached Indigenous and Northern Affairs Canada's (the department) August 2015 Geotechnical Site Inspection Report of TMAC Resources Inc.'s Doris North Gold Mine. This report was prepared by Amec Foster Wheeler on the department's behalf.

The report is divided into seven separate documents to facilitate its transfer by email. A single document will be made available for you to download once the department's secure file exchange system goes back online.

Please don't hesitate to contact me by telephone at (867) 975-4555 or email at [David.Abernethy@aandc-aadnc.gc.ca](mailto:David.Abernethy@aandc-aadnc.gc.ca) for further information.
