**Re: Madrid North Portion of the 2019 Waste Rock, Quarry and Tailings Monitoring Report
– Hope Bay Project 2019 Nunavut Water Board Annual Report, Appendix F**

Dear Mr. Donald,

As mentioned in TMAC Resources Inc's (TMAC) submission to the Nunavut Water Board (NWB) on March 31 2020 (Re: *Hope Bay Project - 2019 Nunavut Water Board Annual Report*), TMAC is providing a supplementary submission to the 2019 NWB Annual Report. Specifically, this supplementary submission supersedes the previous Appendix F of TMAC's 2019 NWB Report provided on March 31 as it includes the Madrid North related attachment of the 2019 Waste Rock, Quarry and Tailings Monitoring Report, Doris and Madrid North Mines (SRK, 2020).

A secure link to a complete digital and downloadable copy of an updated Appendix F of the 2019 NWB Annual Report is available at the location listed below.
