RE: Doris North Water Licence – Supplementary Submission on Security

Dear Madam:

At the close of the public hearing into the captioned water licence, the Chair of the Nunavut Water Board invited parties, and specifically KIA to make supplementary legal submissions on questions related water licence security.

The Kitikmeot Inuit Association is pleased to be able to assist the Board in this manner and our supplementary submission is attached.

Yours truly,

John Donihee
Counsel to the
Kitikmeot Inuit Association
