Good afternoon,

I have attached the Approval Letter for Licence No: 2AM-DOH1335 Type "A", Doris-Madrid Project; Agnico Eagle Mines Limited; Notice of Construction for Doris Vent Raise and Crown Pillar Surface Water Diversion Infrastructure.

Copies of all documents received in support of the Request can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2A/2AM%20-%20Mining/2AM-DOH1335%20AEM/3%20TECH/D%20CONST%20%26%20OPER/D1%20Doris%20Vent%20Raise>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

If you have any questions or concerns please let me know.

Regards,

Robert Hunter  
Licence Administrator
