Re: 2AM-DOH0713 – IFC Drawings for the Doris North Project up to May 2011

Dear Ms. Beaulieu,

Please find enclosed with this letter a CD containing the Issued for Construction drawings for the Doris North project up to May 2011. Earlier this year I mailed you the hard copies of these drawings. This CD contains the digital versions of the all the IFCs submitted in hard copy. You will find individual folders containing all the files as well as a zip file of these same folders. Please review the electronic copies and compare them to the hard copies you have and if you find any files missing, please let me know so that I can provide them to you.

Should you have any questions regarding this submission, please do not hesitate to contact me at lea-marie.bowes-lyon@newmont.com.

Sincerely,

**Léa-Marie
